

Yashada Consultants

Electrical Procurement Service

Yashada's "Electrical Procurement Service" (EPS) is a innovative service product, in which "Yashada Consultants" will conduct entire purchase process (of Electrical material) on the behalf of client.

Why should we go for EPS?

Builders, Developers and civil engineers are having excellent hold on civil related purchase activities as they have that much technical Know how in their domain field.

- 1) But, they may face problems in case of electrical product procurement process in terms of selection, rating, quantity, make, series etc.
- 2) We have to blindly follow the instructions of electrical contractors in case of electrical purchase.
- 3) Electrical consultants, on account repeated purchase; always get better discounts compared to builders, developers, promoters, contractors, business owners & architects. We at Yashada pass these better discounts to our clients.
- 4) Yashada Consultants consists team of Purchase Engineers who have an experience of more than 3 years.
